

## Onion Seed Locations for 2024 Harvest

Guidelines for Distance

Reds & Whites- 3 miles from West, 2 miles from East

Yellows- 1 mile from a similar variety, 2 miles from a different variety

Pinning Priority

Pins will be date and time-stamped based on this form. This in no way establishes priority or a first come” basis to an isolation.

Canal & Gate Number	Block Location (i.e. SE Corner)	Crossroads	Seed Color Yellow=Y Red=R White=W Test (all to be caged) =T	Pin number (to be determined by IVVGA)
